

A photograph of a table setting for a conference. The table is covered with a white cloth and features two place settings. Each setting includes a glass, a fork, a knife, and a spoon. In the center of the table, there is a book titled "ULTIMATE CAREGIVER'S GUIDE" by Shirley Vinson, Ed.D. The book cover is white with a red banner that says "A STEP-BY-STEP GUIDE FOR CAREGIVERS". A blue semi-transparent rectangle is overlaid on the center of the image, containing the title "ULTIMATE CAREGIVER GROUP CONFERENCE WRAP REPORT" in white, bold, sans-serif capital letters. Below the title, the date "January 18, 2025" is written in a smaller, white, sans-serif font. The background shows a white tablecloth, two glasses, silverware, and a book. There are also some small pink and purple butterfly decorations on the table.

**Our community came together to make an incredible impact, touching the lives of over 100 people.**

Your support played a pivotal role in making this happen. We were able to gather 100+ strong for this milestone event. While caregiving responsibilities caused some last-minute changes, 12 participants received the vital information offline, while 78 attended in person. Together, we shared powerful knowledge across six industries, listened to heartfelt stories, answered pressing questions, and provided a nourishing experience—both mentally and physically.

The event was more than just a conference; it became a much-needed day of respite. Attendees described it as a refreshing and informative experience, filled with meaningful connections and uplifting moments. Thank you for helping us create a transformative day!
